

Dear Friends:

It's time for the Kids for Kids annual **Makin' It Special** Christmas Show. Held at 3:00pm at North Haven High School, Saturday, December 3, 2016, this event will collect toys for underprivileged children during the holiday season.

If your group is interested in joining the festivities this season, please complete the application and return, via mail or email, no later than November 15, 2016. Dancers, singers, musicians...whatever your talent, we'd like you to share it with us and help to "**Make It Special**" for so many children in our community.

Please keep in mind, all acts should be family friendly and holiday themed acts are always encouraged! Each organization will be limited to 15 minutes of performance time. This will help with scheduling and ensure an enjoyable show for all.

All reigning 2016 Diamond Dancers are invited to perform.

Admission to the show is a new unwrapped toy, valued at \$10 or more, that will be distributed to designated families in our communities.

Please note, performers will only be allowed into the auditorium if space allows. This decision will be made by the KFK Board of Directors on the day of the show.

Since 1994, Kids for Kids has been donating new toys to put smiles on the faces of children who desperately need to smile.

We look forward to hearing from our old friends and making new ones during this holiday season!
